**Addendum #01  
January 6, 2023  
IFB 23-B0031**

**City of Myrtle Beach Pump Station Protective Measures Standby Pump Installation**

The purpose of this Addendum #01 to IFB 23-B0031 for COMB Pump Station Protective Measures Standby Pump Installation, dated January 6, 2023, is to list key points discussed at the pre-bid meeting:

- This is a 180 day project, however all work completion time is subject to availability of parts and/or equipment.
- Site visits, if needed, may be scheduled through the Buyer.
- The City will take ownership of the pumps after installation and testing has been completed. All work and equipment must have a one (1) year warranty.
- This project requires utilization of Disadvantaged Business Enterprises (DBE's) and Women's Business Enterprises (WBE's) in the amount of at least 2.6% each.
- All work must conform to Davis-Bacon and American Iron & Steel standards.
- Pump/pump equipment may be stored at the City of Myrtle Beach Public Works Department, however the City is not responsible for any damage, vandalism, or theft incurred during storage.
- All questions must be submitted to the Buyer in writing no later than 5:00p.m. (local time) on Thursday, January 12, 2023.
- The mandatory pre-bid sign-in sheet has been attached and is hereby made a part of this addendum.

If you have any questions regarding this Addendum, please call or email at the contact points below. All questions will be answered in addenda and available to all valid bidders.

Thank you,
