Answer: DOT will provide busses/transportation vehicles.

2. Peach County will require transportation services, like on-call?

Answer: Yes, Operating Services, Section One mentions this. However, this is not a regular stop and go city bus project.

3. Will customer be paying for the transportation, like coins or bus card?

Answer: Yes, there will be a fare structure established by the County for the Transit System. Cash/coins only. Please see Revenue and Expense Reports and Invoicing section.

4. Who is the current company providing this service if any? If none, who was the last company who support this services?

Answer: Middle GA Community Action Agency.

5. Can I e-mail the letter of interest?

Answer: Yes.

6. Regarding Fixed Route Service, is the Peach County requiring more than one bus for different routes? If so, how many are they?

Answers: Regarding the routes, Scope of Services section 1 to 4 address this questions.

7. The RFP states that the program would be run for 8 hours a day for 260 days of the year. You mentioned we would bill the DOT and then you would reimburse us. Would this mean we would be billing the DOT a day rate for our services?

Answer. No. The TPO will submit monthly invoices to the Peach County Board of Commissioners as part of the Monthly Operating Report. TPO will prepare the monthly GDOT Reimbursement Form, together with TPO's monthly invoice. The County Administrator will, after review and approval, sign and forward the Reimbursement Form to the GDOT District Office. The County will reimburse TPO in a timely manner for the services provided by TPO in accordance with the Contract, including any other incidental costs of the program that were approved by County and incurred by TPO.
