ADDENDUM-2

TO

**RFP #SCSO54218-1(KD) CORRECTIONAL ELECTRONIC
HEALTH
RECORDS SOFTWARE REBID**

This addendum is issued to answer one question that has been submitted as of 4/27/18 regarding the RFP Correctional Electronic Health Records Rebid for our Sheriff's Office.

1. Page 19 – **IT Requirements:** Provide a general system diagram. Outline technical specifications of the proposed system, including database structure, network components and architecture and description of technologies used for implementation including a list of all other software and/or hardware needed to operate the system. Describe the overall EHR proposed system and requirements. **Question:** The County is asking for a vendor hosted solution. Why does the county want to know the details of the database structure, network components and architecture and description of technologies?

Answer: We do not need to know the details, omit this section from RFP.
