Questions and Answers

1. Is the pre-bid meeting mandatory?
No.
2. The bid package says we can submit a certified check with the bid rather than a bond. Will this take place of the bond, or will it still be needed if awarded the project?
Yes, a certified check can be submitted in lieu of a bond.
3. There are no height/ spread requirements for the plants?
The bid documents state a minimum of Florida #1 grade. The County prefers Florida Fancy for all plant materials. The caliper and spread that is appropriate may be derived based on the FDACS grades and standards.
