Categories: Filed by Newforma

Jonas,

It should take no more than 48 hours for the City of Griffin to relocate our fiber facilities once the Electric Department has relocated their poles.

Thanks,

Chris Sprayberry
Telecommunications | Telecommunications Manager

The City of Griffin shall be a model of excellence in local government; a safe, well-planned community with equal opportunity for all.

EXTERNAL EMAIL - Please use caution and proper judgement.

Thanks, Chris.

Can you also provide a Utility Adjustment Schedule (UAS) detailing the time required to relocate your facilities? I have provided a template for your use.
