“INTERNET, PHONE, AND FIBER CABLING SERVICE AND INSTALLATION”

6/4/2018

ADDENDUM NO 1: Notice to Bidders

Request for clarification:

1. Page 23. “1GB Fiber Internet Port” “Location J to L”. Location L, Stephens’s Central Library, is listed as E-Rate. Will the association of its Internet to the non-E-rate location of the CSCD interfere with its E-Rate eligibility, or is it possible the description should instead read as “1GB Fiber P2P Internet Port”
TGC Response: Description should read as “1 GB Fiber P2P Internet Port” and will not be associated with state connectivity.
2. Page 23. “Fiber Line Pulls between Locations”. Does this refer to building the fiber Point-to-Point connections between the applicable locations as listed on PG 7 of 32? If not, please elaborate.
TGC Response: Yes, this refers to building the fiber point-to-point connections.
3. Page 21-23. Current Services Clarification
TGC Response: Please utilize the following Cost Proposal Worksheet to replace page 21-23 to include with Proposal submission.
