**Project Description:**

**Termini:** Truck Bypass Road from US 180, BOP Station 1+17.50 then east for 9,882.50' (1.872 miles) to the EOP, Station 100+00.00, at NM 90.

**Scope of Work:**

This roadway project involves two available options listed herein as Alternate No.1 and Alternate No.2.

Alternate No.1 entails full reconstruction and widening to 28 feet with 3" hot mix asphalt over 6" basecourse, extending of mainline culverts, permanent signing and striping, and drainage improvements.

Alternate No.2 entails reconstruction and widening to 28 feet with 3" hot mix asphalt over 6.5" of processing, placing and compacting with full reconstruction at shoulders, permanent signing and striping, and drainage improvements.

Copies of the CONTRACT DOCUMENTS in electronic media format may be obtained at the website of the OWNER, at [www.vendorregistry.com](http://www.vendorregistry.com) at no cost. **It is Contractor's responsibility to periodically check the website for any possible addenda.**

Electronic Data

- A. For the present Project, Bidding Documents in electronic media format are furnished to bidding contractors for the sole purpose of preparing bids, and not for construction. The selected construction Contractor shall not rely on files provided in electronic media format for construction, but rather hard copies of such data provided by the Engineer or Owner upon award of the Contract.
- B. When transferring documents in electronic media format, the transferring party makes no representations as to long term compatibility, usability, or readability of documents resulting from the use of software application packages, operating systems, or computer hardware differing from those used by the data's creator.
