

Addendum 2-Please acknowledge addendum on Attachment 1 of your response.

1. Question: RFP states it is for beverage vending services. If concessionaires are needing service and or equipment please include in RFP. 2.3 of RFP states that they are exempt from RFP.
Answer: Section 2.3 refers to our current Dining Services Provider, Sodexo; The Golf Course Restaurant, Roadrunner Bar and Grill; and Ilfeld Auditorium, which provides concession services at our events in Ilfeld Auditorium. Although these entities are under no obligation to use the resultant contract from this RFP, we will work together to facilitate business between these entities and this contract.
2. Question: More details on Cowboy Bucks (How many students currently use them).Is it possible to receive one to see if it is compatible with our equipment.
Answer: At this time, the University will not be able to integrate Cowboy bucks into the beverage and vending services. Section 3.23 is removed from this RFP at this time, but may be re-incorporated when we have "Cowboy Bucks" implemented.
3. Question: Is it possible to get a 12 month volume report for vending, concessions, Sodexo for (fountain, bottles and cans).
Answer: Attached Exhibit 1 and Informational. A new campus map is also attached that you can cross reference with the Exhibit 1. Offerors are encouraged to propose alternate locations that may increase spend and reduce spoilage.
4. Question: Can you clarify 3.3 Transition plan- All cash remaining in machines is the property of NMHU.
Answer: Please disregard section 3.3 of RFP.
5. Question: Terms of contract- number of years. Is it an exclusive contract, vending and all beverages sold on campus.
Answer: The intent is to award based on the three different options specified in Section 2.2. The evaluation committee will recommend an award based on the responses to this RFP.
6. Question: Attachment 8 was not included.
Answer: Please disregard. A draft contract will be arranged between the University and awarded Offeror(s).
7. Question: A revised exhibit A with total number of equipment and possible locations of additional equipment.
Answer: Exhibit 1 shows a listing of all active locations. Offeror may increase, decrease, or alter locations as deemed necessary. Exhibit 1 is intended to give a snapshot of spend across campus over the past couple of years.
