ADDENDUM

Question 1. Does the City only accept Meraki?

Question 2. What is the term of the software agreement?

City Response: The maximum term for our standard contract is 5 years, but for software licensing and maintenance, and such shall remain in place for the life of the purchased equipment subject to availability and appropriation of funds for each fiscal year. Please see subsection 1.2.1 in Section B. Sample Professional Services Agreement

Question 3. Why are we using CBRS vs other technology?

City Response: We are looking at using CBRS at other locations around the city. Not just city parks. This RFP is a test bed for that technology.
