

ADDENDUM NUMBER SEVEN

Lupton Mill Site Remediation

FOR THE CITY OF CHATTANOOGA, TENNESSEE

Contract Number E-16-006

- 1) Questions have been received by the City of Chattanooga regarding the Excel Spreadsheet included with Addendum 6:

Question: In your recent addendum 6 for Lupton Mill Remediation project, there is an Excel spreadsheet attached. The first tab of the spreadsheet is for the aforementioned project; however, there are three more tables with the following information:

Filter Press Building Re-Roofing Project

-Estimate

-Estimate + 10

-Bid Tabulation

I just wanted to make sure you were aware of this.

Answer: The engineer was not aware of this, and thanks you for the notification. This was a result of “recycling” an older spreadsheet into something new. Since the additional tabs are not related to this project, and don’t really provide any insight into this project, all bidders are asked to simply ignore these additional tabs, and utilize the first tab of the spreadsheet for their estimate.
