### ADDENDUM #1 TO BID #21-062

BID NUMBER: 21-062

ISSUE DATE: Thursday, October 7, 2021

OPENING DATE: Wednesday, October 13, 2021      OPENING TIME: 3:00 PM (ET)

Pre-Bid Conference & Site Inspection: [Independent-On Own]

**PROCUREMENT FOR: Andrews Regional Walking Path**

---

This addendum will amend **Bid #21-062, Andrews Regional Walking Path** originally issued on Wednesday, September 22, 2021. This clarification is being provided to all known and registered correspondents in response to questions received. All addenda and original bid documents are also available online at: [www.gtcounty.org](http://www.gtcounty.org), select "Bid Opportunities" from the Quick Links section.

---

**Question 1:** According to the aerial photo, could you please let us know the locations where the sidewalk with curb are to be installed?

**Response:** **There is no mention of curb in the bid. The solicitation requests to match existing sidewalks where they join.**

---

**Question 2:** Are all locations to have a 5'8" walkway or so we need to meet the existing walkway width such as 8' wide in some locations?

**Response:** **The solicitation specifically says widths may vary and are to match existing sidewalks where they meet.**

---

**Question 3:** Do we need a bid bond and payment & performance bond for this project?

**Response:** No, we typically only require bonds for projects over \$100,000. We expect this to be a small project.

---

**Question 4:** At one location there are 4 irrigation waterlines manholes located, would this be relocated by the county or does the contractor need to include the cost of relocation?

**Response:** Work around these - the walkway is not drawn exactly as it has to be. This is a walking trail and can move about the site as needed to accomplish the scope. NO irrigation or other utilities will be relocated.

---

**Question 5:** Does the contractor need to obtain a permit from the city/county to perform this job?

**Response:** Our Building and Planning Director has confirmed that the County would not require permits for this project due to the nature of the work and this project location, which is within the Town of Andrews. While doubtful, you will need to confirm directly with the Town of Andrews to see if they may have any permit requirements. Below is their contact information for your use:

**Town of Andrews**  
101 N. Morgan Ave.  
Post Office Box 378  
Andrews, SC 29510  
(843) 264-8666 (phone)  
(843) 264-5051 (fax)  
Hours: Monday-Friday 8:30 am to 5:00 pm

---

**Question 6:** At some locations, the profile of the existing surface is uneven and do we need to match the concrete top level with the adjacent elevation.

**Response:** Match existing walkways where they join.

---

**Question 7:** At one location the fencing is to be relocated. Does the contractor have to include this in his bid or will be relocated by the county.

**Response:** Fencing will not be relocated. Path route is conceptual and may be moved about as needed to accomplish scope. See response to question #4.

---

## ADDENDUM ACKNOWLEDGEMENT

### BID #21-062 Andrews Regional Walking Path Mandatory Submittal Form

To be returned with the final proposal submission to Georgetown County.
