PROPOSAL

MAYOR LANSON HYDE III AND CITY COMMISSION
FOREST HILLS, TENNESSEE 37215

Mayor and Commissioners:

In response to the Notice to Contractors, the undersigned Bidder submits the following proposal for 2024-2025 Indefinite Delivery/Indefinite Quantity for the Construction of Miscellaneous Street and Drainage Projects within the City of Forest Hills as described and specified in the drawings, contract documents, and technical specifications.

Bidder hereby declares that in the event the City accepts this Proposal, Bidder will, within ten (10) business days of the date of a written notice of award, enter into a Contract with the City of Forest Hills, substantially in the form included in the Contract Documents and shall furnish and pay for all labor, materials, plant and equipment necessary to perform the work required as called for in the PROPOSAL BID TABULATION FORM.

The Bidder agrees that the contract is an indefinite delivery / indefinite quantity contract. Unit quantities are for bidding purposes only. Unit quantities will be determined by the City as projects are assigned. The City has a right to increase or decrease quantities by Contract Amendment as required for construction or as directed and the total of all payments shall be actual quantities or work installed.

The Contractor shall be paid for the actual quantities installed at the unit price bid for the projects assigned.

By submission of this proposal, the Bidder certifies that this Bid has been arrived at independently, without consultation, communication, or agreement as to any matter relating to this Bid with any other Bidder or with competitor.

The Bidder is prepared to submit a Statement of Bidders Qualifications upon the City's request, including but not limited to, a complete financial statement.

The Bidder agrees that if the City accepts his Proposal, Bidder will furnish a Performance-Payment Bond as security for faithful performance of the Contract and for the payment of all persons performing labor or furnishing labor or furnishing materials in connection under the Contract, in the amount of \$50,000, with a Surety acceptable to the City.

The required Bid Bond or Certified Check in the amount of \$5,000 which the Bidder agrees will be retained by the City as liquidated damages in the event that the Bidder's proposal is accepted and the Bidder fails to execute the contract within the time stated in the proposal.

its true and lawful Attorney-in-Fact, to sign its name as surety only as delineated below and to execute, seal, acknowledge and deliver any and all bonds and undertakings, with the exception of Financial Guaranty Insurance, providing that no single obligation shall exceed Fifty Million and 00/100 U.S. Dollars (U.S.\$50,000,000.00), to the same extent as if such bonds had been duly executed and acknowledged by the regularly elected officers of the Company at its principal office in their own proper persons.

This Power of Attorney shall be construed and enforced in accordance with, and governed by, the laws of the State of Delaware, without giving effect to the principles of conflicts of laws thereof. This Power of Attorney is granted pursuant to the following resolutions which were duly and validly adopted at a meeting of the Board of Directors of the Company held on January 25, 2010:

RESOLVED, that, with respect to the Surety business written by Berkley Surety, the Chairman of the Board, Chief Executive Officer, President or any Vice President of the Company, in conjunction with the Secretary or any Assistant Secretary are hereby authorized to execute powers of attorney authorizing and qualifying the attorney-in-fact named therein to execute bonds, undertakings, recognizances, or other suretyship obligations on behalf of the Company, and to affix the corporate seal of the Company to powers of attorney executed pursuant hereto; and said officers may remove any such attorney-in-fact and revoke any power of attorney previously granted; and further

RESOLVED, that such power of attorney limits the acts of those named therein to the bonds, undertakings, recognizances, or other suretyship obligations specifically named therein, and they have no authority to bind the Company except in the manner and to the extent therein stated; and further

RESOLVED, that such power of attorney revokes all previous powers issued on behalf of the attorney-in-fact named; and further

RESOLVED, that the signature of any authorized officer and the seal of the Company may be affixed by facsimile to any power of attorney or certification thereof authorizing the execution and delivery of any bond, undertaking, recognizance, or other suretyship obligation of the Company; and such signature and seal when so used shall have the same force and effect as though manually affixed. The Company may continue to use for the purposes herein stated the facsimile signature of any person or persons who shall have been such officer or officers of the Company, notwithstanding the fact that they may have ceased to be such at the time when such instruments shall be issued.

IN WITNESS WHEREOF, the Company has caused these presents to be signed and attested by its appropriate officers and its corporate seal hereunto affixed this 2nd day of May, 2024.

DESCRIPTION OF WORK

Work to be performed shall consist of As-Needed Maintenance and Construction of Miscellaneous Street and Drainage Projects within the City of Forest Hills by furnishing all material, incidentals, equipment and performing all labor necessary to complete the various maintenance tasks as authorized by the City Manager.

The included PROPOSAL BID TABULATION FORM contains quantities for bid comparison purposes only. The included quantities in no way reflect actual anticipated quantities. Quantities may be increased or decreased as needed by the City Manager.

Miscellaneous Street Maintenance Projects may include but not be limited to:

- Street patching, repair and rehabilitation
- Shoulder stabilization
- Street Sign installation removal and repair
- Concrete or asphalt curb repair
- Brush clearing, tree trimming
- Clearing and grubbing as required for projects
- Roadside trash pickup
- Traffic control
- Snow removal (emergency only)

Miscellaneous Drainage Maintenance Projects may include but not be limited to:

- Ditch construction
- Ditch maintenance / cleaning
- Catch basin cleaning
- Pipe cleaning
- Bridge opening cleaning
- Headwall repair, including masonry
- Headwall construction, including masonry
- Catch basin repair / cleaning
- Catch basin construction
- Pipe removal and installation
- Pipe rehabilitation
- Erosion Prevention and Sediment Control
- Seeding and mulching

All work will be assigned by the City Manager or his designee as needed. Work orders may be issued with or without engineering drawings. Payment for items shall be as measured and be complete and in-place including all mobilization, labor, materials and incidentals.

1. Utilities. The Contractor shall notify Tennessee One Call (1-800-351-1111) three working days prior to excavation in public street right-of-way.

2. Escalation/De-escalation of prices for Asphalt Cement. This escalation/de-escalation clause is provided for the protection of both the Contractor and the City of Forest Hills against sharp increases or decreases in the prices of material. It further provides the Contractor with a bidding procedure that is of less risk than would otherwise exist.

The base price of bituminous asphalt on the date of the bid opening shall be established using the Tennessee Department of Transportation's Monthly Bituminous Price Index. The "Monthly Price Index" for July 2024 is \$642.73. Any fluctuation of the base price, up or down, greater than five percent (5%) will result in a Change Order of those items affected by the fluctuation. The Change Order will reflect the actual increase or decrease of the base price for asphalt.

The asphalt content for bituminous plant mix base material and asphaltic concrete surface material shall be established using the job mix formula submitted by the Contractor.

3. Maintenance of Traffic. The maintenance of traffic shall be paid for under item 712-XX. The contractor will notify the City Manager three (3) days in advance of lane closures or total road closures for the notification of emergency service providers.

4. Street Paving / Repair. Areas of undercutting, patching and partial overlay will be determined in the field by the engineer. The existing pavement surface shall be thoroughly cleaned of all dirt and loose particles prior to the application of tack coat. All material shall be removed and disposed of by the Contractor. Joints and cracks shall be cleaned of dirt and vegetation growth. Tack coat shall be applied prior to overlay at a rate of 0.10 gallon per square yard. No additional compensation will be provided for pavement preparation; the cost shall be included in the prices bid.

5. Safety. Safety precautions shall be used at all times during the progress of the work. As appropriate, workmen shall be furnished with hard hats, safety shoes, asbestos gloves, respirators, and any other safety apparel that will reduce the possibility of accidents. All Occupational Safety and Health Act requirements shall be observed.

6. Method of Measurement. Upon completion and acceptance of work performed in accordance with the specifications, payment shall become due and payable for each item of work performed as measured in place at the bid unit price. Payment shall constitute full compensation for the assigned work and shall be paid at the unit price bid, complete and in-place, and shall include all labor, tools, equipment and incidentals necessary to complete the work in full accordance with the specifications.
