**ADDENDUM**

Addendum #3 on Bid #4643, Wireless Network making the following corrections and clarifications.

- Question - Are we adding switching to your existing network or will the new switches be stand alone.

Response – Stand Alone

- Question - If we are adding to your existing network what switches are in the closet and how do you want us to connect to the existing network.

Response – Vendor will not be adding to the existing network. The Office of Technology will connect the networks together at a later time.

- Question - Do you need any of the switches to be layer 3

Response – No layer 3 switches

- Question - Is the uplinks 1 gig or 10 gig

Response – 10 gig

- Question - What port capacity do you need per switch. 48 or 24

Response – As listed on the parts sheet all switches are 48 port.

- Parts list change fiber section requested 5FUHD-2QL, replacing with 5F100-2QL.

If you have any questions, please feel free to give me a call at (865) 457-6218.
