Questions and Answers:

- 1) Solicitation 22-015 is calling for the Bally box to be installed by June 1st. Bally cannot meet this date. They are out to late July or early August.
Not sure any manufacturer can meet that date. This industry has been hit hard with not being able to get required materials to produce boxes.
What is the latest date this box can be installed?

Please provide the earliest date installation can be complete as part of your bid.

- 2) Bally has informed us that they do not have certified installers. Who would School District accept as an installer?

Yes, please provide the credentials of those installers as part of your bid.
