SUBJECT: Addendum #4 to Request for Qualifications 38414 - Hydrologic, Hydraulic, Hydrodynamics and Environmental Modeling and Analysis Services

This addendum has been issued due to the following questions received regarding the above referenced solicitation. A response to each question is provided.

1. Is it permissible to submit as prime in one of the disciplines and also be included as a subcontractor in another firm's submittal in the same discipline?

Response: No. We will not allow a respondent to also be included as a subcontractor in another respondent's proposal for the same discipline.

**NOTE: The response due date for this solicitation remains as 2:00 pm, April 18, 2023.**

Please acknowledge receipt of this Addendum on the SUBMITTAL FORM provided in the Request for Qualifications document. If you have any questions, please contact me at [wcox@sjrwmd.com](mailto:wcox@sjrwmd.com) or at (386) 329-4118.
