

## **ADDENDUM NO. 2**

DATE: November 8, 2019

TO: All Submitters

FROM: Penny Owens, Assistant Purchasing Agent

SUBJECT: Addendum No. 2 – LOI City South Streetscapes Project

LOIS TO BE OPENED: November 15, 2019, at 11:00:00 a.m. (Eastern)

This addendum is being published to address the questions received from potential submitters regarding the referenced LOI. This addendum becomes a part of the Contract Document and modifies the original specifications as noted.

**Question #1:** Are there any project plans available?

Response: Attached are the overall approved layout sheets for site, grading, storm drainage, underground electrical and streetlight layout, and erosion and sediment control plans for the City South project. They show the scope of work, but the detail sheets aren't included. All CEI work for this RFQ/LOI and subsequent contract will **only** include work in the right-of-way. Any inspections for the private development (not in ROW) are the responsibility of the developer.
