

Disaster Debris Removal

Bid Questions Addendum 2

Posted: March 23, 2023

Scott McDonald, ABL – Procurement Agent

1. We understand the Town wants Public Assistance consulting (as defined in the solicitation) as part of the service provided by the Contractor to the Town. Since Public Assistance consulting, of itself, is eligible for funding under the FEMA Public Assistance Program, would the Town allow the Contractor to provide hourly rates to support the Program Management Assistance? **Yes**
2. Regarding the Fee Schedule on Page 26; are the columns labeled “Cat. 1 Unit Pricing”, “Cat 2 Unit Pricing”, etc indicating discrete pricing for Hurricane Categories? **Yes**
3. If the answer to #2 is yes; I’m guessing this designation is associated with the storm category as identified by the National Hurricane Center at storm landfall? **Yes**
