Answer: A fillable pdf document is not available.

- 2. Bid items 1 through 33 is the bases on award? Items 34 through 40 will have no bearing on the award?**

Answer:

Per the RFB documents, “Bidder must provide pricing on items 1 through 33 listed on the Bid Form, otherwise, the bid submittal may be deemed non-responsive”. Bids will be evaluated based on the total bid amounts resulting from adding items 1 through 33. Items 34 through 40 are listed as “Optional Items” and will not be considered for bid evaluation purposes.

- 3. I need clarification: you state in the bid documents under Division 4 – Section 1 – Sub Section 1.1 a) All Ductile Iron Pipe must be manufactured in the United States of America (USA) from USA iron components. Pipe must be cast, cleaned, cement lined, coat, tested and certified at an USA manufacturing facility. It appears that Clayton County has sent an RFQ to a foreign pipe manufacturing company as well as three domestic manufacturing companies (U.S. Pipe, American, and McWane). Is it Clayton Counties intention to disqualify bids from foreign pipe companies and not open them at bid time.**
