

**ADDENDUM #2 IFB #19-20-1
Relocating and Disposing of Hazardous Science Chemicals**

This Addendum #2 is intended to address questions or clarify District requirements on the above referenced project. This and all Amendments (Addenda) should be acknowledged on page 2 of the Invitation for Bid (IFB) and should also be acknowledged on the top of the BID SHEET or by return of this form along with bid or proposal.

Question #1:

Is the container size information available from each of these six inventory lists?

Answer: #1:

Vendors are encouraged to come onsite. Please contact to arrange a visit:

Terry Gilmer at: 864-809-4678 or

Kim Parham at: 864-809-5531

Question #2:

On page 13 of the IFB, the pricing sheet provides a place for total cost of the job and for a base bid price. Are these numbers to be the same or is there additional options that are going to be added to this IFB?

Answer #2:

These numbers should be the same.
