

Addendum to Solicitation

Addendum No.	<u>Bid</u>
1	48-23 Asbestos Abatement at Versailles Road Property
Changes to the	scope of work as a result of the pre-bid meeting are bel

- Removal of other items such as lights or batteries is not part of this contract.
- There can be no salvaging of items not involved in the scope of work.
- The only air monitoring being conducted for this project is clearance monitoring when all work is complete.
- The only utility in service on this property is electricity.
- A payment and performance bond will be required of the winning bidder on this project regardless of bid amount. It is not required as part of the bid documents.
- Where windows or doors are removed, the openings must be covered securely.
- For purposes of this bid, assume that plaster system extends behind cabinets. If plaster is
 present behind wood walls, this will be handled by change order.

Except as provided in this addendum, all terms and conditions of the solicitation remain unchanged and

in full force and effect. A signed copy of the addendum should be included with the bid submission bid may not be considered.
