

Q & A #4

Answers to final 3 questions.

1. Item V.A requires a bid bond of 5%. Is a performance bond required? If so, what is the performance bond amount?

In discussing this question with our attorney, Georgia law requires a performance bond and a payment bond in the amount of 100% of the contract.

2. Item VII.C says the district has Termination for Convenience. Will the district consider giving a mutual Termination for Convenience for the successful contractor?

In discussing this question with our attorney, the answer is no.

3. Page 6, TAB 4 - It says to submit "number of total daily hours listed on Attachment "C" at each school. I do not see a section listed for hours on Attachment "C". Also, please let us know if you want the day porter hours separated from the night time cleaning hours.

As follow up and completion of the answer to this, we will require the day Porter hours separated from night crew hours. I will update the spreadsheet with additional columns and post this afternoon.

I have been asked to extend the due date for responses to the RFP by one week due to changes resulting from the Q&A items. Given the time constraints of equipment purchases / deliveries etc., a full week may cause other problems. Given this, I agree to extend the deadline until the following Wednesday, October 11, 2017.
