Grounds and Landscape Maintenance for Pelican Stadium

The purpose of this Addendum 002 to RFP 23-R0016 for Grounds and Landscape Maintenance for Pelican Stadium, dated December 14, 2022, and previously amended on December 20, 2022, is to provide clarification to comments/questions received.

1. Is the large grassed area outside the stadium included in this work? See attached image with area in question highlighted.

The large grassed area outside the stadium is not owned by the City and therefore the area is not included in this work.

2. Are there more detailed proposals for the yearly work to be done at the stadium?

The yearly work to be done at the stadium is described in RFP 23-R0016, Addendum 001, and Addendum 002.

Sealed proposals are due in the Purchasing Office no later than 2:00PM (local time) on Tuesday, January 10, 2023. No electronic submissions will be accepted. The City of Myrtle Beach is not responsible for late or misdirected mail.
