

ITB 20-014  
Maintenance, Repairs and Equipment Replacement/Upgrades to the  
Grand Avenue Lift Station. Sidewalk, Curb, Milling, Resurfacing  
Pavement and Drainage Improvements for portions of South Orange  
Street, Violet Avenue and Nasturtium Avenue

**ADDENDUM 1**  
**Plan and Specification Revisions**

This addendum is being issued to amend the terms and portions of the bid document, the bid form, and to provide updated engineering plans for the Grand Avenue lift station.

The following specifications are amended:

- 1) Notes about a proposed manhole within the bid documents were included in error. No new manholes are part of this project.
- 2) Notes about a proposed fence within the bid documents were included in error. No fencing is proposed as part of this project.

The official bid form has been revised as follows:

- 1) The type F curb is reduced by 185 LF (to 4,738 LF).
- 2) Line 28 is added for the valley curb of 185 LF.
- 3) The sidewalk length of 4,923 LF is revised to 4,735 LF to account for the walks located on Nasturtium that are on private property that will not be removed.

The revised bid form is attached.

---

**ACKNOWLEDGEMENT**

It is the vendor's responsibility to ensure their receipt of all addenda, and to clearly acknowledge all addenda within their initial bid or proposal response in the space provided on the Submittal Checklist included in the original solicitation document. Failure to do so may subject the bidder to disqualification.
