

An aerial photograph of a school campus. The main school building is a large, multi-winged structure with a grey roof and orange accents. To the left of the building is a large parking lot filled with cars. To the right of the building is a playground area with several colorful structures. Further to the right is a large, open, unpaved area. A red circle is drawn around a small, circular paved area at the edge of the school property, and a red arrow points from a text box to this circle. The surrounding area includes residential houses, trees, and a road.

SJE Lay Down
Area; Assuming
school is not in
session

3/4" Woodford water hydrant; Outlet for plug in this location
