BID #21-006 SECURITY GUARD

Evaluation Results

After review of each bid it appears all vendors satisfied and met the minimum evaluation criteria as outlined in section 1.3.4.

We also compared all vendors and selected two competitive vendors, Synergy Security Services, LLC. and Advanced Protective Services, LLC for an interview session for additional discussions and questions.

We conducted further financial analyses and determined Synergy Security Systems to be the best fit financially and strategically for the City. We cite the following:

- Overall pricing package;
- Provide adequate security to further the City's security needs;
- Also as outlined in section 1.3.2. for requirements: Synergy offered a viable security solution to assist the City in their security needs;

Thank you for your continued interest in doing business with the City of Griffin.

Kind Regards,
Sherri Huggins
