**SUBJECT: RFP # 2020-07 FINALIST LIST**

The City of Carlsbad has completed our initial evaluations of proposals submitted for ***RFP 2020-07 for Intelligent Transportation System Technology.***

**The finalists are as follows, in alphabetical order:**

- 1. ETA Transit**
- 2. HBSS Connect**
- 3. Kevadiya**
- 4. RouteMatch**
- 5. Spare Labs**

***All firms not listed on this document have been eliminated from consideration by the selection committee.***

The City will evaluate the finalists and score the proposals once the scoring for the cost portion of the proposals has been completed.

We anticipate wrapping up the final scoring by late next week and should have an official award announcement no later than October 14, 2020.

We would like to express sincere thanks to all firms that submitted proposals and wish you the best of luck with future endeavors.
