

Town of Medley

Office of Capital Projects & Development Services

7777 NW 72 Avenue, Medley, Florida 33166

Date:	January 28, 2019
Subject:	Bid for Construction of NW South River Drive between SR 826 and NW 72nd Avenue Roadway and Drainage
Solicitation Number:	ITB 2019-011
OCPDS Number:	PW-0112
Opening Date / Time:	January 31st, 2019 at 3:00 PM February 14th, 2019 at 3:00 PM
ADDENDUM Number:	2

To all interested proposers:

The Town of Medley defines a solicitation “Addendum” as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g. Invitation for Bids, Request for Proposals or Request for Qualifications), including but not limited to questions and answers, which are considered a material part of the solicitation.

Please note the following updates:

Clarifications:

- The terms Exfiltration Trench and French Drain are used interchangeably in the contract documents.

Bidder Questions (answers in *italics*):

- 1. Tree Disposition Plans L-1200 thru L-1210 indicate Tree Protection Fencing (Typ.). The bid form does not have a bid item for this protection fence. Please indicate under which pay item will be included.**
A tree protection fence line item has been added to the bid table. Please refer to Item 60. Updated bid table attached below.
- 2. Sheet R-1309 between structures D-17 and D-18 indicates 50 LF of 18” exfiltration trench, but in the bid form there is no item for 18” Exfiltration Trench. Please clarify.**
A line item for 18” Exfiltration Trench has been added to the bid table. Please refer to Items 44 and 45. Please note line item 45 is for French Drain, 18” Alternate Section. Alternate Sections will be used as directed by the Engineer of Record based on field conditions and pay items with alternate sections will be paid on the basis of actual quantities. Updated bid table attached below.
- 3. Quantities in bid items No. 37, 38, 39, 40, and 45 do not match the take off quantities. Could you review these quantities?**
Quantities for line items 38, and 39 have been revised. Line item 40 has remained the same. Line items 44 through 98 have been revised as additional bid items have been added to the table. Previous line item 45 has been updated to item 47 and the quantity has remained the same. Updated bid table attached below.

Office of Capital Projects & Development Services

7777 NW 72 Avenue, Medley, Florida 33166

4. **Bid items 41, 42, 43, 44 and 46 indicate Alternate Section. The plans do not show any areas where these Alternate Sections apply. Could you clarify?**

Alternate Sections will be used as directed by the Engineer of Record based on field conditions and pay items with alternate sections will be paid on the basis of actual quantities.

5. **Item No. 3 of the Bid Form is for “Disposal of unsuitable material (estimate quantity). But there is no item for the Excavation of this material. Please indicate under which pay item we will include the excavation operation.**

All bid prices are inclusive of excavation material. Line item No. 3 indicates material that is unsuitable and must be disposed of. Actual quantities will be determined on the field and will be paid on the basis of actual quantities.

6. **After reviewing addendum 1 there is a sheet # E-6, material of light poles specified as fiberglass, revision 1. Is this just for reference to what FP&L will be installing on this project?**

At this time, construction work related to the lighting within the project area is not included in the base scope of work and electrical plans are provided for reference only.

7. **On Page R-1001 note 61 states: “The contractor shall submit a maintenance of traffic plan for approval by the engineer and the Town of Medley Police Department. Cost to be in pay item for maintenance of traffic.” The bid proposal does not have a maintenance of traffic bid item. Will an addendum be issued to provide this item?**

MOT is included as part of line item 98. See bid table attached below.

8. **Can a mobilization item also be provided to include the general conditions such as bond, insurance, etc.?**

MOT is included as part of line item 98. See bid table attached below.
