

**NOTICE OF SOLICITATION – INVITATION TO BID:
Bulloch County Board of Commissioners
Engineering Department and the Office of Capital Projects**

DESCRIPTION OF PROJECT: The Bulloch County Board of Commissioners is accepting sealed bids from qualified contractors for the following project: **Fletcher Park Parking Lot Construction Project FY22-CP-E06**

Addendum #1

1. *Removal and Replacement of Unsuitable Materials:* On page C1.1 of the project plans, Section 31 20 00 – Earth Moving, Section 3.6 Unsuitable Material states that the costs of removal and replacement of unsuitable material shall be included in the lump sum bid for the project. Because there has not been any soils testing done during the design, the County specifies that the lump sum bid shall include up to 700 CY of removal and replacement of unsuitable material. Grading, to include 700 CY of remove and replace Unsuitable Material. If more than 700 CY is required for the completion of the project, the excess quantity will be negotiated as Extra Work with the Contractor. Determinations of areas and depths of unsuitable materials excavation shall be approved by the County Engineer prior to performing the work.
2. *Clarification of Landscaping:* The County will be responsible for landscaping the site except for grassing, which is included in the bid. The Contractor will be responsible for bringing all tree islands/areas to within 6 inches of finished grade and coordinate with the County on installing any necessary sleeves for irrigation.
3. *Digital Plan Format:* An unflattened pdf of the plans is available upon request to the County Engineer at bdeal@bullochcounty.net.
