Repair Rubberized Trails and Maintenance – Coral Reef Park

ADDENDUM NO. 1

Prospective Contractor,

This Addendum forms a part of the RFP Package Document dated August 17th, 2022, with the amendments and additions noted below (deletions are shown by strikethrough and additions are underlined.)

- As of today, there has been no questions submitted. The Village would like to make a statement:

Village Statement

After the mandatory pre-bid meeting vendors were invited to walk and see the conditions of the rubberized trails, questions arose as to what would be a better fix whether to repair or tear out and redo. The Village has included an additional proposal sheet called "Option 2" which is a complete installation of the rubberized trails. An additional line was added to include the costs to add and complete the loop of the rubberized trails.

All other terms and conditions stipulated in the original Village of Palmetto Bay Request for Proposal shall remain in force. All addenda created will be incorporated into the final contract and must be acknowledged in all proposals. This acknowledgement form must be included in the response and failure to sign and submit this form may result as a rejection to your proposal.

Thank you for your participation in our solicitation process.
