

RFQ 2023-01 – Professional Architectural Design Services for New Construction – Transportation and Maintenance Facility

Questions and Answers

Question #1: What is the estimated construction value for this project?

Answer: The estimated value of this project is \$5,000,000.

Question #2: Appendix I isn't listed in the "REQUIRED DOCUMENTS" section. Please confirm that this is only to be used at the Presentation stage.

Answer: Yes, Appendix I will only be used for the presentations to the interview committee selection process.

Question #3: Regarding Appendix E – should we both include these in the printed submittal and have them e-mailed directly to the Facilities and Planning Department?

Answer: Appendix E should be emailed directly from each reference to the Facilities and Planning Department at jgilbert@fcsdf.org.

Question #4: Page 4, Section 2.1.C. states that we should follow the order listed in 2.2.A, however, we are being scored on the items listed in 2.2.B. Would it be ok to add the items listed below right after the REQUIRED DOCUMENT items?:

- Local and School Related Project Experience (Related Experience is a separate item and will be in the SF 330)
- Sustainable Design and Construction Practices
- Minority Business Enterprise

Answer: Yes, you may add any other items you would like to give after the "Required Documents" in 2.2A.
