

ADDENDUM # 1 Invitation for Bid # 2019-25

68 BOUNDARY STREET RENOVATIONS

This addendum is being issued to respond to questions and provide an updated drainage sheet.

All contents of this addendum shall be incorporated into the solicitation documents and the ensuing contract with the awarded Contractor. It is the Contractor's responsibility to ensure their receipt of all addenda, and to clearly acknowledge all addenda within their initial bid response. Acknowledgement may be confirmed by inclusion of a signed copy of this addendum with the initial bid response. Failure of a Contractor to acknowledge each addendum may prevent the bid from being considered for award and deem the Contractor as non-responsive. Addendum, revised forms and documents attached hereto shall not be altered and attached to bid submittals in their original format.

<u>Questions</u>	<u>Answers</u>
In the ITB, under the Contract Terms and Conditions section, it states that a Bid Bond in the amount of 100% will be required to be submitted with the bid. Is this percentage correct? If not, please provide the percentage required.	The IFB erroneously states that a bid bond in the amount of 100% of the bid price shall be submitted. The required amount should be 10%.
Documents state that a bid bond of 100% is required. Should this read 10%	
Will there be a pre-bid meeting held? If so, please provide specifics.	There is no pre-bid meeting scheduled.
Are the only documents required to be submitted as our part of the bid the: bid form, pricing schedule and bid bond?	The bid form notes that a schedule of major milestones with a duration not to exceed 150 days from NTP is also required to be submitted, in addition to the bid form, pricing schedule and bid bond.
On sheet C501 Drainage, there is no data shown, e.g. inverts, pipe size, etc.	Sheet C-501 Drainage had the wrong detail shown in AutoCAD. The correct detail is now shown and the revised drawings have been uploaded to Vendor Registry.
Can you please provide a distributor for the removable bollards?	The Town is specifying the use of Bollard Solutions for their manual retractable bollards, model number

	DBO114R4-900. Their address is 4 Lakeside Circle, Greenville, SC. W. H. (Bill) Talbot at Bollard Solutions may be reached at 770-861-3300.
Please provide the type and color of detectable warning surface tiles/bricks desired.	The detectable warning surface shall be wet set composite mat, 2' x 4', in yellow.
May I submit a bid without having an active Town of Bluffton business license?	You may bid without an active license but any successful bidder must commit to obtaining a license immediately after notice of intent to award.

All prospective Respondents are reminded and hereby instructed not to contact any member of the Town of Bluffton Council, Town Manager or Town of Bluffton staff members, other than the noted contact person OR the Town's Purchasing Administrator regarding this IFB or their response at any time during the solicitation and award process. Any such contact shall be cause for rejection of your submittal.
