QUESTIONS AND ANSWERS FROM POTENTIAL VENDORS:

Question # 1 - While going over the plans again for the above referenced project I noticed on the Utility Plans C3.1 & C3.2 reference to a 4" PVC-C900-DR18 water line capped on both ends for a future fire lateral, several 2" & 4" conduit sleeves, and capping several 2" water lines but there isn't any bid items to cover paying for this work. Is this part of this project or will it be done in the future?

Answer # 1 – Yes, these items are part of the project and shall be included in the bid. Attached is a revised Bid Form – Unit Price Schedule which includes the following:

- 4" PVC-C900-DR18 water line is Line Item #2 (Miscellaneous)
- 2" & 4" Conduit sleeves were added this morning as Line Item 3 & 4 (Miscellaneous)
- 2" Caps is Line Item #11 (Add Alternate #1 – Water)

Sealed bids will be received by the Town of Bluffton until 2:00 p.m. on July 6, 2017.

All prospective Respondents are reminded and hereby instructed not to contact any member of the Town of Bluffton Council, Town Manager or Town of Bluffton staff members, other than the noted contact person OR the Town's Purchasing Administrator regarding this IFB or their response at any time during the solicitation and award process.
