The purpose of Addendum No. 1 is answer questions from potential vendors

1. How many events dose this vendor accommodates per year? Is it seasonal or yearly and how many guards? **This fiscal year (Oct – Sept) we have 167 events on the books. Events are booked out years in advance in some cases. Please note, all events do not require security. We do have in-house security, the requested services will be in addition to this. Services will be yearly based on the terms of the contract, not seasonal but again on an as needed basis. The number of guards will be based on the size the event. On average 3 to 5 in addition to our current security staff.**
