

Town of Summerville

RFP – Fire Station #1 Design Build Renovations

Questions/Clarifications

1/25/2022

1. Addendum #1 notes that our base bid proposal shall include the costs to perform a hazardous material survey of the existing facility. If hazardous materials must be mitigated those costs for mitigation will be handled in a change order correct?
  - a. Correct
2. Does the existing building have as-built drawings? If so will the Town share those documents?
  - a. The Town does not have as-built drawings of the building.
