ADDENDUM #2

Date Issued: MARCH 6, 2024

This addendum is being released to address the following questions.

1. Is it required to submit/include proof of insurance with the proposal submission or only at such time that an award has been made to a successful proposer?

Page 22 Proposal Checklist #2 does state submit proof of insurance because we use this as a first peer review based on page 46 of our sample contract regarding verification of coverage "The certificates are to be submitted with proposal as a first peer review". If not submitted with the proposal the successful proposer will be required to submit with the signed contract.
