

**CITY OF CALLAWAY
DISASTER RECOVERY ADMINISTRATION SERVICES
RFQ NO.: PW2024-05**

ADDENDUM #1

Date Issued: FEBRUARY 26, 2024

This addendum is being released to address the following questions.

1. Can the maximum 30-page count be removed entirely from the RFP, as it seems to unnecessarily restrict a firm’s ability to more fully respond with its qualifications and technical approach to this critically important work for the City of Callaway?
Yes, we will remove the 30-page limit entirely from the RFP.
2. Is there an incumbent for the services?
Yes.
3. Who is the incumbent for these services?
Tetra Tech.
4. Is the City currently managing active recovery related grants such as FEMA PA, CDBG-DR, or Hazard Mitigation Programs (FEMA/HUD)?
Yes.
5. The RFP’s scope of work includes a broad range of services which require a diverse set of professional skills and capability. Does the City intend on making multiple awards to provide the option for assigning specialized implementation scope to those firms with greater experience and capacity per task or disaster?
No.

Audra K. Boswell
Audra K. Boswell, City Clerk

This Addendum must be acknowledged and included with the bid packet submission.
