PROJECT: ITB 0318-2060
NOVA ROAD MEDIAN LANDSCAPING

OPENING DATE: August 9, 2018

This addendum is hereby incorporated into the Bid Documents for the project referenced above. The following items are clarifications, corrections, additions, deletions and/or revisions to and shall take precedence over the original documents. Additions are indicated by underlining, deletions are indicated by ~~striketrough~~.

1. Answers to Bidders' written questions:

Q1: On page LD-4A there is a maintenance chart that states Local Government Commitment, it also shows all mowing will be done by City, then below there's a schedule for pruning, fertilizer etc. Can you clarify what maintenance, if any is to be done by Contractor, and for how long after final completion?

A1: - The Contractor shall be responsible for everything on the Technical Maintenance Schedule shown on Sheet No. LD-4A, including watering, fertilizing, weeding, mowing, etc., beginning after each plant/tree and sod has been installed and shall continue until at least 90 days after written Substantial Completion by the Owner. In addition, the Contractor shall also be responsible for replacing dead or dying sod/plants/trees, and maintaining the irrigation system assuring that it is fully operational, for a period of one year after written Substantial Completion by the Owner.

Q2: Is there an Engineer's Estimate or project budget that the City is trying to stay within?

A2: \$630,000

Q3: When does the bid go to commission, or when can we expect the award to be given?

A3: The bid opening will be August 9, 2018 unless otherwise stated throughout the bid process. So the earliest it could go to our City Commission for approval would be September 5, 2018.

2. All other terms and conditions remain the same.

The Bidder shall acknowledge receipt of this addendum on the Bid Proposal Form.
