ADDENDUM NO. 5

DATE: August 1, 2018

PROJECT: ITB 0318-2210

NOVA ROAD MEDIAN LANDSCAPING

OPENING DATE: August 9, 2018 August 16, 2018

This addendum is hereby incorporated into the Bid Documents for the project referenced above. The following items are clarifications, corrections, additions, deletions and/or revisions to and shall take precedence over the original documents. Additions are indicated by <u>underlining</u>, deletions are indicated by <u>strikethrough</u>.

- 1. The bid opening is changed from August 9, 2018 to August 16, 2018 at 2:00 PM.
- 2. Irrigation system will be pressurized on **August 8, 2018 at 10:00 AM** and prospective vendors can meet on site (on Nova Rd between Beville Rd and Bellevue Ave) to inspect the existing irrigation system to determine if any part of it will need to be repaired or replaced.
- Question: Do the existing valves need to have moisture sensors? Answer: No.
- 4. Question: Do spray heads have to be pressure compensating per Volusia County Codes?

Answer: All of the new irrigation will need to meet current codes.

- 5. Question: All areas of existing sod that will not be impacted by the installation of new plantings or soil removal are currently full of weeds and are multiple types of grass. The plans do not call for the installation of new sod in these areas which are approximately 25,000 total SF. Are we to assume mixture of grasses and weeds remains as-is, or should we include re-sodding the areas to remain lawn with St. Augustine "Floratam"?
 - Answer: The contractor is to repair the areas disturbed with like sod, as per Landscape Note # 9 on Sheet LD-4 and per Pay Item Note # 1J on Sheet LD-4A.
- 6. Question: There are (3) large drainage structures North of ISB that will not allow irrigation pipe, wire and heads to be installed as shown on the irrigation plans. How would you like us to navigate this conflict? The existing drainage structures are from curb to curb and you can't directional under the structure due to the canals concrete cap.

Answer: This will be addressed in a future addendum.

- 7. Question: Email a current list of planholders.
 Answer: Attached is a current list of planholders.
- 8. All other terms and conditions remain the same.

The Bidder shall acknowledge receipt of this addendum on the Bid Proposal Form.

The City of Daytona Beach

Kirk Zimmerman, CPPB Buyer

Addendum #5 ITB 0318-2210
