All Contractors are hereby notified that they must have proper licenses under the state law for their trades. General Contractors are notified that applicable statues of Georgia will be observed in receiving and awarding general contracts.

The State Department of Transportation and the United States Government have agreed to reimburse the Owner for portions of the project costs. The Owner will not accept or consider proposals from any contractor whose name, at the time of opening of bids or award, appears on the then-current list of ineligible contractors published by the Comptroller General of the United States under Section 5.6 (b) of the Regulations of the Secretary of Labor (29) CFR nor a proposal from any firm, corporation, partnership, or proprietorship in which an ineligible contractor who, at the time of the opening of bids or the award, is removed from the Georgia Department of Transportation's list of prequalified contractors.

By submitting a bid the Contractor certifies that he has under his direct control, or at his disposal, the men, equipment, and materials required to execute this work as specified. Lack of such control or availability of men, equipment, or materials shall constitute failure to properly execute the Contract. Performance and Labor and Material Payment Bonds will be required for 100% of the Contract price, with a surety or sureties legally authorized to do business in the State of Georgia.

A bid may be withdrawn only as provided by the applicable Georgia General Statutes. If a bid is withdrawn within 30 days of the bid opening, the Bid Guaranty shall be forfeited; provided that, if the request to withdraw is made pursuant to G.S. 143-129.1 not later than 72 hours after the opening of bids and if the withdrawal is allowed, the owner may return the Bid Guaranty.

Proposals submitted without the prescribed information may be rejected.

All Bidders should be aware that the date, time, and location for Proposal Submittal and Opening may be modified by Addendum.
