

ADDENDUM #2
TO
SPECIFICATION AND CONTRACT DOCUMENTS

May 28, 2020

TO: ALL PLAN HOLDERS

FOR: ITB-018-2020 IRRIGATION SYSTEM FOR WILSON PARK

The purpose of addendum #2 is to answer questions received and to give instructions on how to join the Webex Bid opening. City Hall is currently closed to the public. Until further notice all bid openings will be broadcast through Webex.

Contractor must acknowledge receipt of all addenda with submittal on the form provided herein.

1. Is there a metered water line in all of the parking lot beds?
Answer: No, there is not. Contractor will have to tie in to the 2” waterline that is in place at each island. That is the reason for the battery controllers.

2. Will we have to directional bore or cut out pavement to get pipes across?
Answer: A directional bore will only be needed under the sidewalk; we do not want any pavement cut out. The 2” piping runs from parking lot island to the adjacent island on the other side.
