

## ITB #19-003 CRA Office Renovations

### Addendum 4 – Questions/Answers

#### QUESTION:

Addendum 3 states exterior paint colors but does not specify if those are for areas previously painted, or the entire exterior of the building. Some of the exterior walls has never been painted and would more than likely require some prep work and/or pointing and sealing prior to being painted. If it is only for areas painted before, the impact of that line item is much smaller. Please advise as to which needs to be included in the bid.

#### ANSWER:

The entire exterior of the building is to be painted. If the exterior needs to be fixed in any way to address any issues, that needs to be factored in to the price as well.
