The failure or omission of any Bidder to do any of the foregoing shall in no way relieve any Bidder from any obligation in respect to his Bid.

The Owner may make such investigations as he deems necessary to determine the ability of the Bidder to perform the Work, and the Bidder shall furnish to the Owner all such information and data for this purpose as the Owner may request. The Owner reserves the right to reject any Bid if the evidence submitted by, or investigation of, such Bidder fails to satisfy the Owner that such Bidder is properly qualified to carry out the obligations of the Agreement and to complete the Work contemplated therein.

The City will then select the top preferred Bidder, with whom a contract, on a form to be provided by the City, will be negotiated. The City Commission has the ultimate authority to approve any Bid and to authorize execution of the negotiated contract.

The City reserves the right to make clarifications, corrections, or changes in the Request for Bids at any time prior to the time Bids are opened. All Bidders or prospective Bidders who register with the City will be informed of said clarifications, corrections, or changes. Prospective Bidders may register via email to cballard@goodlettsville.gov prior to the due date for Bids.

Bids submitted are offers only, and the decision to accept or reject is a function of quality, reliability, capability, reputation, and expertise of companies submitting Bids. Issuance of the RFB does not obligate the City to pay any costs

incurred by a respondent in its submission of a Bid or making any necessary studies or designs for the preparation of that Bid, or for procuring or contracting for the services to be furnished under this RFB.

A Bidder may withdraw its Bid, either personally or by written request, at any time prior to the scheduled deadline for submittals. No Bid shall be withdrawn for 60 days after the date set for opening Bids. Bids shall be subject to acceptance during this period.

The City reserves the right to accept the Bid that is, in its judgment, the best and most favorable to the interests of the City and to the public; to reject the low price Bid; to accept any item of any Bid; to reject any and all Bids; and to waive irregularities and informalities in any Bid submitted or in the request for Bid process; provided, however, that the waiver of any prior defect or informality shall not be considered a waiver of any future or similar defect or informality. Companies should not rely upon, or anticipate, such waivers in submitting their Bid.
