DATE: February 1, 2021

TO: Prospective Respondents

FROM: Leslie Fancella, Contract Specialist

SUBJECT: Addendum #3 to Request for Qualifications #36425, Characterization of Runoff Water Quality From Watersheds Receiving Wastewater Residuals Applications

As a result of inquiries, the following information is being provided.

**QUESTION: Is there a page limit for the total number of project sheets a firm may submit?**

**ANSWER:** No.

**QUESTION: Page 8 of the solicitation states, "Respondent must provide three client references. Up to two of the client references may be from the similar projects listed in response to subparagraph (a), above." Page 20 (Client Reference Form) of the solicitation states, "Respondent shall provide three client references, which may include the similar projects listed above. [on the similar projects form]"**

**Please clarify, may only two of our references be from the same projects as listed on the Similar Projects Form or may all three references come from the projects listed on the Similar Projects Form?**

**ANSWER:** Only two of your references should be from the similar projects listed in subparagraph (a).

**QUESTION: Figure 1 shows 30 potential sampling sites, how many sites does St Johns River Water Management District expect will ultimately be sampled for Task B?**

**ANSWER:** We are unlikely to sample any sites in NE Florida. The sites will be concentrated in Polk County and the Upper St. Johns River Basin, with the possibility of a couple sites in the Middle Basin of the St. Johns River Basin.

**QUESTION: Page 44 of the Solicitation states, "Water quality analytes will be selected by District staff from the list in Table 1 (Task B)."**

**Similarly, how many sites are expected to be sampled under Task C, what laboratory parameters are expected for this Task? Does St Johns River Water Management District expect the current proposed budget to include sample analysis for task C?**

**ANSWER:** Task C will have up to two sites. We are not requesting a budget with the RFQ.

**QUESTION: On page 44, the SOW indicates, "District will consider whether to separately purchase, and provide for the contractor to utilize for this project, or instead undertake the project with the equipment owned and provided by the contractor. Due to the potentially significant difference in cost for the contractor, please clarify how the cost associated with the equipment for Task C will be addressed.**

**ANSWER:** We will discuss the better course of action with the contractor as we begin the negotiations.

**QUESTION: Is Task B recurring for each of the contracted 3 years?**

**ANSWER:** Yes.

**NOTE: The RFQ Opening remains 2:00 p.m., February 10, 2021.**

Please acknowledge receipt of this Addendum on the SUBMITTAL FORM provided in the RFQ package.
