### Questions and Answers

1. I see in the package that we must have an IRC Painting Specialty License in order to bid. Can you please tell me how we obtain this license?  
**Indian River County no longer requires this license.**
2. There is no spec for what products to be used. Could you please provide a spec as a reference?  
**The County does not have specs for the product to be used on this job. We would like the contractor to propose materials best suited to the conditions at the fairgrounds with respect to durability and long-term performance.**
