

Addendum 01
October 19, 2023
RFP 24-R0005
Infield Grading and Mix Installation

The purpose of this Addendum 01 to RFP 24-R0005 for Infield Grading and Mix Installation at the Ned Donkle Complex, dated October 6, 2023, is to list the key points of discussion from the mandatory pre-bid site visit.

- It is the intent of this RFP to laser grade the baseball/softball fields located at Ned Donkle Complex, 3301 North Oak Street, Myrtle Beach, SC. Work to include:
 - There are seven (7) youth fields and two (2) adult fields at the Ned Donkle Complex. All fields will be laser graded with mix installation if it is needed.
 - The Contractor will assist Tony Payne, Project Manager or Dennis Sheehan, Field Maintenance Supervisor in determining the amount of clay/infill mix that is needed for each field.
 - The City does not use Dura Edge for its infield mix. It uses a blend provided by Burnett Athletics and prefers a 70/30 or a 60/40 blend to be used.
 - The City will pull up all anchors, rubber plates, pitching rubber and mark all irrigation.
 - The City will provide all infill/clay needed for the fields and have it placed on the field for the Contractor. Clay should be on the fields when Contractor arrives.
 - The Contractor will be required to cut lips, roll and laser grade to spread the infill/clay mix.
 - The concrete that surrounds the fields may be driven on. Contractor may need to use plywood to protect all other surfaces where equipment is needed to be driven.
 - Small fields are 70 foot bases. Large fields are 90 foot bases. City will place a stake for head of arc. All fields will be symmetrical from the head.
- Field F must be complete by January 1, 2024. The City would like Field E completed after Field F as it is used frequently. The remaining fields may be completed in any order. Work may begin after December 1, 2023 and must be complete by February 15, 2024. Fields are not used in the month of December.
- Work hours are from 7:00 AM to 5:00 PM Monday through Saturday, excluding City holidays.
- Price is one lump sum for all fields.

- Proposal requirements are listed in the RFP on pages 28 through 30. The Evaluation Rubric that will be used to determine award is on page 30. Award will not be determined by lowest price only. RFP openings are not public.
- The sign-in sheet from the mandatory site visit is attached and is hereby made a part of this addendum.
- Additional questions are due no later than 12:00PM (local time) on Tuesday, October 31, 2023. Questions may be submitted via e-mail to lgreenough@cityofmyrtlebeach.com. Official time of receipt will be marked by the time the e-mail is received, and not by the time that it is sent. E-mail messages can take up to ten (10) minutes or more to be delivered to the intended recipient. All questions received by the deadline will be answered via addendum.
- Sealed bids are due in the Procurement Office no later than 2:00PM (local time) on Thursday, November 2, 2023. No electronic submissions will be accepted. The City of Myrtle Beach is not responsible for late or misdirected mail.

Please send in your sealed bid to the address listed below:
