

ADDENDUM NO. I

DATE: June 7, 2021
TO: All Potential Proposers
FROM: James McKeehan, Assistant Purchasing Agent, City of Knoxville
SUBJECT: Addendum No. I to ITB - Solar Equipment and Materials
PROPOSALS TO BE OPENED: **June 11, 2021 at 11:00 AM (Eastern Time)**

This addendum is being published to provide clarification regarding the above referenced ITB. This addendum becomes a part of the contract documents and modifies the original specifications as follows:

The deadline for bids has been extended to June 11, 2021 at 11:00am Eastern Time

Items for Clarification:

1. Do you have an estimation on the overall scope of volume here?
In addition to the quantities listed on the bid form the Office of Sustainability anticipates doing another installation of similar scope within the next two years, but due to possible changes in annual appropriation additional purchases cannot be guaranteed.
2. The notes say we need to hold our pricing for 1-2 years is there a place in there for us to make a note that we can't guarantee that?
Yes, there is an option on the bid form to agree or decline to hold pricing for two, one year terms to be agreed upon mutually prior to renewal.
