

RFP #4822, Debris Management Plan
Amendment to Question #4 from June 11, 2018

4. The RFP refers to developing a FEMA Debris Plan. Attachment 7 Basic Emergency Operation Plan, is to be used as a reference only and Anderson County is not requesting the BEOC be updated as a Part of this RFP. Please confirm.

Previous Answer:

There is not a Nuclear Power Plant in Anderson County. There is a power plant in Roane County (Watts Bar Power Plant), which is adjacent to Anderson County. There is also nuclear material processed at the DOE facility (Y-12) in Oak Ridge.

Amendment: Watts Bar Power Plant is in Rhea County, which is not adjacent to Anderson County.
