ADDENDUM NO.   1

Issue Date: April 1, 2021

Project Name: Main & North Library Meeting Room Audio/Video Upgrade

RFP Number: 2021034

RFP Opening Date: April 7, 2021

This addendum is being released to: answer questions received to date and modify the RFP documents. The information and documents contained in this addendum are hereby incorporated in the invitation to bid. **This addendum must be acknowledged where indicated on the proposer information form, or the proposal may be declared non-responsive.**

Modifications to RFP Documents:
Replace Proposal Pricing Form with attached **Proposal Pricing Form – Addendum 1**

Questions and Answers

1. Please confirm that the "L" shaped teaching console is being requested in lieu of the originally specified straight podium. Question
   This item has been modified. Please see the revised Proposal Pricing Form – Addendum 1.

2. Please confirm that originally specified Crestron 15" touch screen was replaced with a standard desktop monitor and that you require for it be bolted to the teaching console via articulating arm.
   This item has been modified. Please see the revised Proposal Pricing Form – Addendum 1.

3. Please confirm if cable cubby with laptop charging, USB charging, and AV connectivity is needed at the teaching console.
   This item has been modified. Please see the revised Proposal Pricing Form – Addendum 1.

4. Please confirm the type of the connectivity you require for the laptop users at the podium (HDMI, USB-C), etc.
   Both HDMI and USB-C are desired.

5. Please confirm if desktop USB extension capability is required inside the cable cubby at the teaching console.
   Yes, this is desired.

6. Please confirm that originally specified amplifier with Dante and DSP capability has been replaced

Addendum 1
with non-Dante and non-DSP version.
This item has been modified. Please see the revised Proposal Pricing Form – Addendum 1.

7. Please confirm if the ceiling sensor is required to turn the AV equipment upon room vacancy.
This sensor is not required. This can be accomplished via programming of the Crestron controller.

8. Please confirm if commercial grade rack-mounted Blu-ray player is required and if it shall be controlled via Crestron control system.
This item has been modified. Please see the revised Proposal Pricing Form – Addendum 1. Yes, the Blu-ray player shall be controlled via the Crestron controller.

9. Please confirm that specified tabletop wireless microphones have been replaced with the ceiling type.
This item has been modified. Please see the revised Proposal Pricing Form – Addendum 1.

10. Please clarify how many lavaliere and handheld microphones are required to work simultaneously for in-room voice amplification.
This item has been modified. Please see the revised Proposal Pricing Form – Addendum 1. It is not necessary for the handheld and lavaliere microphones to operate simultaneously.

11. Please clarify how will PTZ camera be controlled exactly?
The PTZ camera will be controlled by the Crestron controller.

12. Please clarify is if presenter's gooseneck microphone shall be required and if yes, what length?
A separate gooseneck microphone is not required. The presenter's station should include a flexible gooseneck mount to accommodate a handheld wireless microphone.

13. Please confirm that the projection screen size and type has increased at the North Library from 110" diagonal electric in-ceiling to 133" diagonal electric on-wall.
This item has been modified. Please see the revised Proposal Pricing Form – Addendum 1.

14. Please clarify is the AV rack drawer shall be included for the wireless microphones storage.
This item has been modified. Please see the revised Proposal Pricing Form – Addendum 1. Yes, a rack mounted drawer is now included in Addendum 1.

15. Please clarify if low voltage permit shall be required and if yes, shall the fees be added at the final invoice.
No permit is anticipated to be necessary, but should one become necessary, the County will pay the fee internally.

16. Please confirm if storing and assembling of the podiums and other equipment is allowed at both jobsite locations.
Onsite storage and assembly will be permitted only during the period of time that is approved for the installation.

17. Please confirm if Crestron X-panel control shall be required at either location.
This item has been modified. Please see the revised Proposal Pricing Form – Addendum 1.

Addendum 1

18. Please confirm that originally specified Crestron wireless control touch screen has been replaced with a wired 10" Crestron control touch screen located on the teaching console via swiveling adapter.
This item has been modified. Please see the revised Proposal Pricing Form – Addendum 1.

19. Please clarify if bidders shall have a chance to explain their respective proposals before the Indian River County officials.
Proposers may be asked to make a presentation to assist in final ranking, but only to the selection committee. No presentation will be made to the Board of County Commissioners by proposers.

20. Specified Pakedge network switch shall not work for this application.
This item has been modified. Please see the revised Proposal Pricing Form – Addendum 1.
