TO: ALL PROSPECTIVE BIDDERS

FROM: Ewa Adamow, Purchasing Agent

**SUBCONTRACTOR QUESTION**

**QUESTION:** Can a subcontractor be used to complete 100% of the project?

**ANSWER:** The Bidder/Prime Contractor shall complete at least one major work item using their own forces, equipment, and resources. Major work items for this project shall include watermain and other underground work, portland cement concrete curb and gutter, sidewalk, and driveway work, and HMA patching and other paving work. Each major work item is typically comprised of many pay items.
