**Addendum #03**

**August 18, 2020**

**IFB 21-B0006**

**EMS Supplies**

The purpose of this Addendum #03 to IFB 21-B0006 for EMS Supplies, dated August 7, 2020, and previously amended on August 10, 2020, and August 17, 2020, is to answer the following questions:

1. Can we get an estimated annual usage of all the items requested in the bid?

It would be unrealistic to accurately estimate the usage of every item requested in the bid, especially with the fluctuations in our seasonal demand. Please refer to page 22 of the original solicitation package, under the paragraph entitled "Quantity" for more information.

2. Would you be willing to consider allowing for electronic submissions with scanned copies of the signed documents?

Scanned and/or electronic submissions will not be accepted. Sealed bids must be submitted to the Purchasing Office by the deadline established in the original solicitation package. The Purchasing Office receives both USPS and UPS deliveries daily. FedEx will also deliver upon sender request.

Additional questions are due no later than Wednesday, August 19, 2020 at 12:00noon (local time.)

Sealed bids are due no later than Monday, August 24, 2020 at 2:00PM (local time.) No electronic submissions will be accepted. The City is not responsible for late or misdirected mail.

Thank you,  
City of Myrtle Beach
